

# NICSA

NATIONAL INDIAN CASINO  
SAFETY ASSOCIATION

## OUR MISSION

As a group of Safety, Security, Risk and Claims management professionals in the tribal casino industry, we share a common goal of protecting our employees and guests while raising safety awareness. In order to provide a higher level of protection to those we serve, we share policies and procedures, checklists, regulatory updates, experiences and best practices and offer professional development within our unique disciplines. It is our mission to create a legacy of leadership in concert with Tribal Sovereignty to guide those who follow in our footsteps.

## Our Membership

Our members represent Safety, Risk Management, Emergency Preparedness, Security, Gaming Commissions, Tribal Governments, and the businesses that serve them.

## Benefits of Membership

We provide ongoing professional development opportunities and peer networking through nation-wide training programs, educational conferences, seminars, symposiums, and consultations in support of tribal gaming and Indian Country interests.
